

MESSAGE FROM THE AUTHOR

Lately, I am hooked to Internet Auctions. It's so much fun!
 But expensive! I thought it would be cheap, well (LOL)

I am addicted to buying flowers off Internet Auctions because I love to decorate my studio with them. They cheer me up! ♡♡

Shin is a genius who can solve the hardest problem for high school girls. And I, Shino Arai, as his girlfriend, should be the happiest woman on earth. However, maybe because I spent too much time chasing after the star rather than doing my school work, I'm facing the crisis of repeating the 11th-grade!

me to fit several
so much, tried to
my editor and
publishers because
of it. How busy I
never seem
wrote to tell!
